

**WEBSTER COUNTY WOODCHOPPING FESTIVAL**  
**P.O. Box 227**  
**Webster Springs, WV 26288**

GREETINGS, CRAFTERS!

The 2019 Webster County Woodchopping Festival Craft Show will take place on Saturday, May 25th and Sunday, May 26th between the hours of 9:00 AM and 6:00 PM. Set up on Friday May, May 24th is available for an additional \$10.00 fee. You may or may not get the spot you always have had in the past. We are trying to work out parking for our Woodchoppers. You will still be in the general area as previous years just may not be in the same space. Thanks for your patience!

**Set Up Info. Please read and be aware.**

- ✓ Arts and Craft Vendors are to be handmade not manufactured. If we discover that you are selling something manufactured, you will be subject to a commercial booth fee.
- ✓ Crafters may set up at any time on Friday (if paying for early set-up), or Saturday. The main gate on Baker's Island that allows vehicle traffic onto the island is closed when chopping competition is going on. At that time, vehicles will not be allowed through gate. If the gate is open, competition is most likely stopped and entry will be allowed. Notify gate attendant that you are setting up as a crafter and you will be allowed admission without paying gate fee. All supplies and property must be picked up and moved out by 6:00 PM on Sunday **BEFORE** the Gospel Concert. Crafters will NOT be permitted to move out after 6:00 due to the concert. **If you wish to leave after 6:00pm, you must wait until the concert is finished.**
- ✓ Under roof pavilion spaces are available on a first-come first-serve basis. Crafters that have had pavilion spaces in past years are given first option. All other spaces do not provide overhead coverage. **ALL FINAL DECISIONS ON SPACE PLACEMENT WILL BE MADE BY THE CRAFTER'S CHAIR.**
- ✓ Crafters are responsible for bringing their own tables, chairs, and coverings. We attempt to provide electricity to those who need it, but cannot guarantee availability.
- ✓ Collection of WV Sales Tax is the responsibility of crafters.
- ✓ If you are camping on the island there is a limit of 30 feet on a self-contained unit.
- ✓ **Pets are NOT ALLOWED.**

The WCWF will not be responsible for accidents or theft. In the event of inclement weather, the WCWF will not be responsible for damage caused by its effects; for example: standing water in the area of the craft spaces. The crafter's chair will make all reasonable efforts to assist crafters as needed, but you are ultimately responsible for your property.

Please return your completed application and check made payable to WCWF to Kristen Hamrick at the above address no later than **May 1, 2019**. No refunds! If you need additional information, please call the WCWF office. Any questions please call 304-847-7666, Kristen at 304-644-0526, or Anna at 304-651-6223.
